Duathlon Course Map

Bike and 2nd run see triathlon course map

5k Course Map

See Triathlon Run Map

Duathlon Course

The first run of the duathlon is a 1 mile out-and-back.

You will head south on the Medical Lake Run path to the ½ mile mark where a volunteer will direct you to turn around.

Return to transition and proceed onto the bike course following the same course as the Triathlon.

The second run for the duathlon is the same as the run course for the Triathlon.

5 K Course

The 5 K course route is the same as the route for the triathlon run.

Proceed along the Medical Lake run path going south, entering Jefferson St at around .7 miles then turning Left onto 4th street at the water station and proceeding back on to the Medical Lake run path at North Park and returning to the finish line.
